## Login Page

1. Go to mgi web site and click on the LOGIN link at the top left right of the page.
2. Once one clicks on the Login link, it will lead to the Login in Page as shown in **Figure 1**. Please type in your USERNAME or EMAIL ADDRESS and PASSWORD. As this will be a public facing site, the MGI web site currently uses its own login information instead of NIST domain username/password.

# If you are logging in for the first time

You will want to use the tab for "Request New Password". The email which you were registered with will be one of the following:

1. The email address you received your sign up notice from (only if you received one)
2. your full name NIST email address (e.g. [myfirst.mylast@nist.gov](mailto:myfirst.mylast@nist.gov) [2])

As long as you are registered you will receive a link to reset your password at this point and should be able to log in from there. If the email you provided is not listed, you may want to request an account, or send an email to [casey.hume@nist.gov](mailto:casey.hume@nist.gov) [3].

\*The Materials Genome Initiative (MGI) is a U.S. Federal government multi-stakeholder initiative to develop an infrastructure to accelerate and sustain domestic materials discovery and deployment in the United States. MGI is distinct from "Materials Genome", which is a registered trademark of MaterialsGenome, Inc. (a Pennsylvania Corporation). The use of the term "Materials Genome Initiative" is not intended to serve as an endorsement of or an association with the trademarked term "Materials Genome."
